

SKY JUMP

Las Vegas

FOR EXPLORING

FRIDAY, MARCH 24, 2017

7:30 A.M. - 9:00 A.M.

Stratosphere Casino, Hotel & Tower and the Las Vegas Area Council, Boy Scouts of America are teaming up to benefit youth served through the Exploring program. Each participant can experience the thrill of SkyJump Las Vegas while raising funds for Exploring by collecting a minimum of \$855 in pledges; \$1 for every foot above the Las Vegas Strip.

At 855 feet above the Las Vegas Strip, SkyJump Las Vegas is the world's tallest SkyJump attraction. Riders are suited-up in custom jump suits and connected to an incredibly safe high speed "descender" machine where they will literally leap off the platform and descend to the landing pad below. Jump in and experience the ultimate thrill while providing an Exploring adventure that will last a lifetime.

EXPLORING™
DISCOVER YOUR FUTURE

Support the Exploring program of the Las Vegas Area Council Boy Scouts of America in this year's SkyJump for Exploring event off of the Stratosphere Tower. Exploring is our local Council's career based learning program offered by area Law Enforcement, Fire/EMS, Aviation, Engineering, and 8 other career fields. Experiences learned in Exploring help create a future for our Community's biggest investment, our youth!
