Community-Build Playground Design Day
DIRECTV, KaBOOM, Chicanos Por La Causa Southwest,
CC Family Services @ Child Haven

Build Day: Tuesday April 15th, 2014 8:00am-3:00pm

Volunteers Needed

“A perfect opportunity to give back to your community by volunteering your time and energy to a good cause”

CPLC Southwest, along with KaBOOM Playgrounds has come together with Clark County Family Services to build a playground for the children of Clark County's Child Haven Center; a foster care facility.

Volunteers are needed to give a building hand on “Build Day”, April 15th, 2014. Adults and youth volunteering will be responsible with helping with the actual build of the playground and other side projects to help beautify the foster care facility. Other side projects include painting wall murals, building games, painting ground games, and sprucing up the place...

If you feel this is something that interests you, your friends and family. Email me at Romaldo.chaidez@cplc.org or call us at 702-207-1614 and sign up for this great event...

Thank you for your consideration...CPLC Southwest, Inc.
