THE WEEKENDS OF:

APRIL 30, 2015 - MAY 2, 2015

MAY 14, 2015 - MAY 16, 2015

What is Wood Badge?

Wood Badge is advanced adult leadership training for all adult leaders and volunteers who serve within the Boy Scouts of America. This training is designed to be fun, informative, and helpful for all adult volunteers, including Cub Scout leaders, Boy Scout leaders, Varsity Coaches, and Venturer Advisors as well as professional staff. Most participants find that lessons and leadership skills learned at Wood Badge are useful for Scouting and also applicable to out professional and personal lives.

Who May Attend?

Enrollment is limited to the first 48 Scouters to sign up! Attendees may be a Cub Scout, Boy Scout, Varsity, or Venturing leader, district or Council volunteer, or professional staff. Space is limited, so make your reservation early. Each Scouter invited to participate in Wood Badge training must have completed the basic training courses for their Scout position and completed the outdoor skills training programs appropriate for their Scouting position.

Two Weekends is a Lot of Time?

Depends on how you look at it. How much time are you now spending with your Scouting unit? Is it time well spent? Would you like to invest a few days that will teach you advanced leadership skills and techniques so you may better lead the youth in your unit? Are you willing to invest six days to earn advanced leadership skills that will impact you for the rest of your life? This new knowledge helps make your Scouting job more proficient and your Scouting experience more enjoyable.

Dear Wood Badge Participant Candidate:

Wood Badge is the premier advanced hands-on leadership skills experience offered to volunteers of the Boy Scouts of America. It was introduced in the United States in 1948 and has grown to what many have called their "mountaintop" experience in Scouting and for many the most fun they have ever had as an adult Scouter. The objective of Wood Badge is to demonstrate in a practical way the "aims and methods" of Scouting and to develop Scout spirit through a program of activities. You will live Scouting and be exposed to the application of leadership and Scouting skills as they are applied in the development of leaders and youth.

As the Course Director for the LVAC Wood Badge 2015, I commit to have one of the best staffs in place ready to make your time at Wood Badge one of the most memorable, rewarding opportunities of your Scouting careers. Prepared to provide the experience you will need to deliver the best Scouting program to the youth you serve.

I encourage you to not only consider attending Wood Badge but to bring someone along. Perhaps another leader from your Unit, or someone whom you know that could benefit from attending and applying the leadership skills taught at Wood Badge. You will find them thanking you for bringing them along. You will also find at Wood Badge a support system like no other; you will meet others with your same interests and concerns and in many cases, gain new, life long friends that you will learn to rely on and can call on at a moments notice for help.

Please do not hesitate to contact me if you have any questions or concerns. I would ask that you look at Wood Badge as an opportunity that you cannot pass up. That you make attending Wood Badge a priority in your already busy life and I promise you will not regret it.

Yours in Scouting,
